I hate that we had to picture this female so green. It's no lie, I pulled her out of the replacement pasture just two weeks before picture day. She is long bodied and powerfully built with a sound structure. Her dam Pure Hottie was the Champion Shorthorn Plus at the NWSS as a calf and went on to be selected as Reserve Grand Champion at the NJSS and Champion ShorthornPlus at NAILE. More recently, a full sib was the high seller in Meyer Family Shorthorns Fall Online sale for $11,000. This one will look a lot different come sale day, keep her high on your list.

This is our first ET calf by BEAU'S GIRL, and it has solidified her place in the donor pen. "BEAU'S GIRL" herself, was Fifth Overall at 2015 Junior Nationals and was crowned Grand Champion of the NWSS Junior Show. This cow transmits muscle and power, and that can certainly be seen in this powerhouse female. This heifer has as much shape as any in our offering, yet keeps it in sound structured package to please the harshest critics. She has been a crowd favorite for some time now, and is one we believe has what it takes to surpass the accomplishments of her donor dam.

SULL Red Rosemary is a past NAILE and NWSS Champion. She stems from a cow family that help transition the Shorthorn breed into a powerhouse in the show ring. She is a full sib to breed legends such as CF Solution, SULL Right Direction, SULL Rose Mary 636, and HD Ruby 903.
