MAJOR COUNTY FAIRGROUNDS - FAIRVIEW, OK

SELLING 45 LOTS:

Bred Females • Pairs • Show Heifer Prospects • Herd Bull Prospects • Frozen Genetics

Dear Shorthorn and Cattle Industry Friends,

The Oklahoma Shorthorn Association is excited to invite you to our Inaugural Oklahoma Spring Selection Sale in Fairview, OK. The goal is to have a quality offering of cattle, provide support to the membership, create an atmosphere with good comradery, and provide an outlet for Shorthorn breeders to sell cattle. We are grateful for the support of the 26 consignors and those of you that will join us on sale day.

All of the consignors in the Oklahoma Spring Selection are Oklahoma Shorthorn members and have spent the last year making decisions on their breeding programs that they feel will continue to improve the shorthorn breed. We are all very excited to be offering several of those choices in this year's sale. You will find that great consideration was taken when choosing the sale lots. The goal is to offer elite cattle that will be productive and functional. You will find that there are multiple options offered and we hope that you find prospects to compliment your breeding programs.

Please reach out to any one of the consignors about the offerings. Anyone that would like the chance to visit with consignors about the cattle and or simply just view the cattle prior to the sale may certainly do so beginning Saturday and just prior to the sale on Sunday. Individual animal videos will also be available on CCI.live as we get closer to the sale date. If you are unable to be with us in person, we will offer live auction bidding through CCI Live as well as a compliment of sale representatives to assist you in bidding.

On behalf of the Oklahoma Shorthorn Association board and membership we would like to thank everyone that made this sale possible. We would like to also thank the Major County Fair board for their generous hospitality. We want to thank everyone for your interest and consideration in the 2024 Oklahoma Spring Selection Sale. We hope to see you on April 14th.

GENERAL INFORMATION

Bidding All lots sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the Auctioneer. His decision will be final.

Absentee Bidding If you will not be able to attend the sale, please contact the Sale Manager, Sale Consultant, Auctioneer or Sale Staff in advance to secure your bidder number and place your orders.

Terms Terms of sale are cash unless credit arrangements are made between buyer and seller prior to sale. All lots offered sell under the standard terms and conditions endorsed by the American Shorthorn Association.

Registrations All animals selling are registered with the American Shorthorn Association unless otherwise stated.

Registration certificates will be transferred to the new owner. Please be sure to leave complete and accurate transfer instructions with the sale clerk at time of settlement.

Announcements Any changes of information contained in a sale catalog will be announced from the auction block and such announcements shall take precedence over any printed material.

Health All animals will be accompanied by proper health certificates making them eligible for interstate shipment. It is the responsibility of the buyer to know the health requirements of his/her home state.

Certificates of Registry-Transfers A certificate of registry and transfer will be furnished for each animal sold. It shall be the responsibility of the seller and/or sale manager to submit the properly prepared transfer application promptly to the American Shorthorn Association.

Purchaser's Risk Each animal becomes the property of the buyer as soon as sold, unless other arrangements are made prior to the sale.

Genetic Condition Disclaimer The seller is responsible for disclosure of all known Genetic Condition Abnormalities at the time of sale.

Standard Breeding Guarantee All animals sell under the terms and conditions of the American Shorthorn Association Standard Breeding Guarantee.

Special young heifer here, a great opportunity on a breeding and show piece with a bright future ahead of her. She is sired by PVF Beefcake 38J who has been made his mark at Bedwell Cattle Company siring complete show heifers that have sold well and been earning many ribbons in the showing. Her dam JCB Classy Carmele HC 0B11 is a past cattlemans congress class winner that has developed into an excellent front pasture brood cow. This heifer is going to be no different she has an excellent set of balanced epd's that complement her phenotype and disposition. She was weaned, broke to lead, and pictured in the same week. Imagine what she will look like on sale day and beyond.

This is the mating our ranch has been waiting to see for sometime. This crosses our best two donor cow families. She did not disappoint. If we were keeping a fall born she would be it. She has all Bravehearts style, correctness, extended front and rib shape. She then crosses our Gooses Bo donors big body style, great hip, bone, and has great hair to top it off. She will be a fun heifer to show with her temperament and her successes are limitless. After showing she will be a tremendous cow as both of her cow families have been.

Retaining 1/2 Embryo Interest.

An excellent opportunity to add a high quality show heifer and breeding piece to your program. Matilda is sired by RGLC SULL REVERENCE 013 the high selling Shorthorn bull at the inaugural Cattleman's Congress. Matilda's mother was a past Reserve Champion Bred and Owned heifer at the Tulsa State Fair. She combines a solid pedigree with a solid and complete phenotype, added bonus she is super gentle and ready to go for a younger showman.

This stylish cherry red heifer is a unique pedigreed female. Her dam was a past show heifer of ours, out of a Hot Commodity son, that had a successful show career for us in 2020. Her sire, 720 KGL Red Snap was also out of a past show heifer of ours, who's dam is the full sib to the 2019 OYE Champion ShorthornPlus and whose grand dam, SULL Pure Hottie, was the champion shorthorn plus as NWSS as a calf and went on to be selected as a Reserve Grand Champion as the NJSS, and Champion ShorthornPlus at NAILE. This 7/8 registered heifer has all the tools to carry on her family tradition and if bred purebred would produce purebred progeny.

JCB Roan Power 306L represents one of the most unique combinations of phenotypic and genetic excellence. It is very challenging to find a young sire prospect that genotypically ranks in the top half of the breed for every measured trait let alone be in the top 25% of the breed for every measured trait as Roan Power does. Highlights of his genomically enhanced genetic profile include double digit Calving Ease with a minus Birth EPD and uniquely still ranking in the top 15% for both weaning and Yearling traits. He reads with a top 10% rank for Stayability with a compliment of muscle and marbling that ranks him in the top 3% REA and 25% for Marbling. Phenotypic bonuses that come along with this guy are a Homo Polled head, soft dark roan color, excellent confirmation, and great shape and thickness will help generate uniform high quality Shorthorn cattle!

We will be selling full possession in 306L but retaining a full 1/2 semen interest to fully participate in future semen sales and semen use opportunities. Possession of 306L will begin once the buyer and seller have agreed upon an initial amount of semen to collect and that semen has been collected.

DPF Dealer's Choice is backed by some of the most proven genetics in the Shorthorn breed. Out of one of our favorite donors, SULL Myrtle Ann 8192F, who is out of the well-known CF Myrtle Bo 46 TP X cow and sired by one of the most consistent bulls in the breed, SULL Red Knight. She was the 2019 Grand Champion Shorthorn Female at Tulsa and the 2020 Reserve Champion Shorthorn Female at OYE as well as many other titles. He is sired by one of the hottest bulls in recent history, CF New Deal who has produced many national champions. Dealer's Choice comes to you in a super sound reliable package, with extra body shape and eye appeal that will produce elite future show heifers and long-lasting functional females. If you're looking to raise future champions or foundational females Dealer's Choice is your guy. He should be triple clean by genetics.

Known as one of Cates Farms top producing donors over the past five years. Dustin Clark and I purchased this donor in Cates 2023 fall sale to add to our current donor battery! Her added skeletal size and massive build has clicked so well with today's bulls. This female has put two daughters in the top five at the Junior Nationals and recently had a granddaughter named Grand Champion Bred and Owned female for Ryan Wickard at this year's junior nationals. She has multiple other daughters that have been extremely successful. This LOT A, Hot Commodity mating, is a can't miss! Her LOT B TRN Omaha 79 mating, although fairly new, is smoking good! Tyler just sold 2 phenomenal full sisters to this mating in their March spring sale!! Clark Cattle and Kornegay Cattle have high aspirations of what this cow can do for their program and want to extend an opportunity to the public!! Jump on board now for 2 premier shorthorn breed matings!!
