

21ST ANNUAL

"Where Great Females Make a Difference"

SATURDAY, OCTOBER 3, 2026

1:00 PM EST • at the Farm, Waynesville, OH

Dear Shorthorn Friends,

It gives us great pride to welcome you to our 21st "Where Great Females Make a Difference" Sale. Over these past 21 years we have traveled thousands of miles through 26 states promoting Shorthorns and building what we believe is one of the top set of females featuring the breed leading cow families. This year's offering includes some exciting prospects, outstanding replacements and great genetic opportunities.

As we move forward to our exciting 4th generation, we must reflect on "Where Great People Make a Difference." These past 21 years we have made many, many long lasting friendships and developed numerous partnerships. Without these people, our program would be non-existence. There has been much laughter and yes, some tears along the way, but the Greenhorn family wants to reach out and say THANK YOU!

As the 4th Generation (All Boys) comes on board, plans are to continue our quest in the production of the finest Shorthorns!!

Please join us Friday evening for light refreshments and fellowship of Shorthorn breeders and again Saturday at 11:00 am for the fabulous lunch by our good friends "Grillable Catering."

~ Thank You!

Simply one of the best, show, cow and donor prospects we have sold. Many remember her dam, Marvelous Margie, who dominated the jackpot and breeding shows. Magical has had a great start being Div I Champion at this years Junior Nationals and made the trip back from Abilene, Texas to be named Calf Champion and Reserve Grand Champion Shorthorn Female behind her stall mate at the Ohio State Fair. Big bodied, sound and complete best describe her. Retaining 50% embryo interest.

The basis of our females is emphasis on maternal traits. Along with that great maternal look, she is super balanced and has lots of rib. This heifer has been a favorite of many early visitors. Her maternal sister GCC Warren Margie has had an incredible run this past show season being Reserve Bred and Owned at Junior Nationals, Grand Champion at Ohio State Fair and Division winner at both Denver and Ft. Such a pretty lady.....as we started getting her ready for this sale, we actually had second thoughts about it. She has beautiful hair, deep body, along with great disposition. She also has quite an all-star pedigree. With her line-up, she pretty well hits the ball out of the park. Bred to the Paint Valley Farm bull, Irishman, this heifer connects all the dots and would make an awesome addition to your herd.

 This white Battlefront female is one that will stand out in terms of performance. If you're looking for a cow to take home, turn out, and maintain body condition while producing a great calf, this is your female. She is a deep-bodied, structurally sound, soggy-made female that hasn't even made it to her prime yet. Females with her stoutness and muscle pattern are hard to come by. She is also carrying one of the first calves out of our new herd sire, Sharben Dream of Liberty. We are very excited for this first calf crop; calves should have a great mix of performance and show ring presence.

This female has been very impactful for us. She put two heifers in our sale last fall that were crowd favorites with one of them going on to win reserve division honors at NWSS in 2026 for the Ford family and the other had a very successful show career for the Freeman family racking up several breed champions! She flushes well and has left us with some daughters we're excited to put to work in our herd. With that being said don't miss this opportunity for her to leave her mark on your program!

Sells with heifer calf on side sired by JSF McLintock.

GENERAL SALE INFORMATION

Terms And Conditions: Terms of the sale are cash or your good check, with settlement to be made with the clerk immediately following the sale and before cattle are removed from the sale site. Billed accounts are due within 10 days of the sale.

Phone Bids: If you are unable to attend the sale personally, simply contact one of the sale personnel whose phone numbers are listed prior to the sale. They will accept your bid in confidence and act as your agent at ringside.

Health: Each animal sells with a state approved health certificate for interstate shipment. It is the buyer's responsibility to make themselves aware of their state's health requirements.

Breeding Guarantee: Each female will be sold with a guarantee to, at minimum, produce transferrable embryos via IVF.

ASA Genetic Condition Disclaimer: Unless an animal is listed on the American Shorthorn Association "genetic condition status list", the American Shorthorn Association makes no representation of any kind as to whether or not the animal has a genetic condition.

Liability: Each animal is at the buyer's risk when sold, but will be cared for by the sellers for a reasonable amount of time. Neither the owners, employees, auctioneer, sale managers, or other affiliated personnel can be held responsible for any accidents, but they will make every effort to provide for the comfort and safety of those attending.

Shipping: We will try to accommodate trucking loads the best we can.
